Materials Required: • Desktop or laptop computer with an internet connection. • Simulation website address (see below).	

Task Title: Register for Text 9-1-1

Learner Information and Tasks:

In an emergency, you may need to call 9-1-1. As a Deaf or Hard of Hearing person, it can be hard to use the phone to call for help. Now, you can use Text 9-1-1 instead!

Before you can use Text 9-1-1, you must register your phone number. Use this activity to practice with a fake registration form. When you are ready, you can register your real phone number.

Task 1: Go to the website and complete the activity called "Register for Text 9-1-1" using the information below.

Website Address: https://tba.s5dli.ca/register-for-text-9-1-1/

Use this information for Text 9-1-1 Activity

Wireless provider: Rogers
Phone number: (905) 555-2020

Task 2: [OPTIONAL]
Go to www.textwith911.ca and click on your mobile service provider.
Complete the registration form using your phone number.

Task Title: Register for Text 9-1-1

Answer Key

Task 1: Observe the learner as they complete the task using the interactive activity.

Learners will need to select **Rogers** as their service provider and use the phone number **(905) 555-2020** as their cell phone number when prompted. Please note that the activity is designed as a simulation and will only work if they use the correct information. It is your responsibility to observe to see how easily they complete the activity or if they have difficulty.

Task 2: N/A – Please observe the learners as they use their personal information to complete the T9-1-1 registration process. **IMPORTANT** – Depending on the registration process for their specific wireless provider, the complexity of this task may change.

Task Title: [Calibri 12 pt]
